

Model: KW2467A TX + KW2466 RX

Economic 2.4GHz Digital Wireless DVR System With 7" LCD

Accessories:

A: 5pcs power adapter for cameras and receiver

B: 4pcs brackets

C: 1pcs 3.5mm stereo jack to 2RCA AV cable

D: 1pc CD

Features:

- 4 CH wireless DVR with 7" LCD + Touch Key Design
- 2.4 GHz ISM band, dynamic selection technology for robust anti-interference
- Image processor MPEG 4 encode/decode
- Hopping technology and GFSK modulation
- Graphical interface,easy to use
- Camera has 12 IR LEDs for night vision
- PAL or NTSC system option
- Support SD card with SDHC 2.0 up to 32GB
- Two way audio for intercom
- Transmission distance up to 150m (clear line-of-sight)

Applications:

- Baby care, Children/Elder protect
- Video Door Phone
- Office/House Monitoring
